AWSOME ANNOUNCEMENTS FOR YOU TO CONJURE WITH, PONDER OVER—AND YAWN AT!

STAN LEE'S SOAPBOX

Those of you who've been with us since the early days of Marvel have probably lost track of how many times I've hammered home the point that, unlike cigarettes, our comics are really good for you. Well, I've recently received a letter from Stephen Nazzaro at the University of Massachusetts that really lays it on the line, so take it away, Steve —

Dear Stan: Here at the University of Massachusetts, I'm co-chairperson of the Northern Educational Service Coordinating Committee. One year ago we wrote to you requesting some subscriptions to Marvel Comics for use in our tutoring program. Your comics have proven an overwhelming success as tutoring tools to each of over 300 tutors here and to all those enrolled in the program — numbering close to 1,000. Our tutors unanimously reported that when Marvel Comics were used with substandard readers or those with specific reading difficulties, their ability to pronounce syllables and understand word meanings increased greatly. But most importantly, reading your comics instilled a willingness to read in some of the more stubborn ones that was never before present! For many, this was the first time in their lives that they actually enjoyed reading. Very few of the materials in our office that were designed expressly to assist those with reading problems were as effective as Marvel Comics, or received such consistently positive endorsements. Hopefully, publicizing the ways we use Marvel Comics in our tutoring program will expose others to their potential value as learning tools.

Sincerely,
Stephen C. Nazzaro,
Co-chairperson

Of course, this doesn't mean that reading our munificent mags will turn you into a genius overnight. It could take as long as a week!

Excelsior!

Stan

ITEM! You know how we're always saying that we like to level with you whenever humanly possible? And how we've been telling you that we've been hard-pressed to meet all our much-dreaded deadlines since the decision was made to add a bunch of new titles to the mad-cap Marvel line? Well, recently, neo-editor ROY THOMAS decided that there was one (and probably *only* one) way to meet the problem — and that is, by doing at least one *extra, fill-in* issue of virtually each and every one of our monthly mags (and maybe a few of our bi-monthlies, too, just to be on the safe side)! Still, rather than just toss them at you at random and let you think we're playing musical chairs with our artists simply for the heck of it, he and STAN decided to announce the whole policy more or less *in advance*. That way, you won't be thrown for a loss when you see a surprise guest-artist penciling your favorite strip sometime in the next few months — and besides, now you and the rest of Marveldom Assembled can have a ball trying to guess exactly *who* will do the inventory story in this or that mag.

Just a helpful hint or two: Occasionally the fill-in ish will be done by one of the stellar artists of our monthly line-up. More often, naturally, it'll be done by someone whose work you've glimpsed hither and yon but who *doesn't* do a regular feature for us. (And this includes a few all-time comix greats whose work you probably haven't thrilled to in a good long while!) Also, whenever possible, we intend to keep the same *writer* and *inker* on that issue, so that our far-famed Marvel continuity won't be shot to heck! Okay, we've had our say, believer! Now, just trust us when we swear we're not *really* doing this because we wanna send any of you frenetic ones off the deep end! 'Nuff said!

ITEM! Oh, and just to get things rolling: In case you haven't already guessed, that "extra" tale or twain of everybody's favorite SPIDER-MAN is the current re-working by Jazzy JOHNNY ROMITA and Merry GERRY CONWAY of the epic which originally appeared in the SPIDEY SPECTACULAR — albeit in wildly different form . . . while ROSS ANDRU has teamed up with Rascally ROY and Joltin' JOE SINNOTT to help Big JOHN BUSCEMA get ahead on the FANTASTIC FOUR! There's another shock or two lurking around this month, too — but we'll let you seek those out for yourself!

MARVELOUS MARVEL MINI-ITEMS! Hey! Anybody out there dig the Irreverent BILLY GRAHAM (Luke Cage's mighty mentor) when he M.C.'d a comedy show recently in Greenwich Village's famous *Village Gate* night club? If not — well, better luck next time! • We've already mentioned ROSS (Boss) ANDRU, but just wait'll you dig the first art-job he did as regular artist of SHANNA THE SHE-DEVIL! • Also, we're dead certain most of you haven't forgotten Rollin' CHIC STONE, who inked some of Marvel's greatest triumphs during the sizzling 60's! And now you'll be seeing more of his awesome artistry on RED WOLF and other sensational strips! Welcome back, Chickie-Baby! • You oughtta see the pile of mail we get each day congratulating us for snagging WILD BILL EVERETT once more to handle the feature he created lo, these many moons ago — none other than SUB-MARINER, what else? Now if we can just get him to make a deadline or two! • What a month this has been!! No sooner did Rascally ROY THOMAS stagger back from his West-Coast vacation (during which he was a major guest, along with California-born MIKE FRIEDRICH, at the gala SAN DIEGO COMICS CONVENTION), than Stainless STEVE ENGLEHART departed for that same golden state — and we just heard a rumor that GERRY CONWAY'S packing his bags for L.A., to boot! Sheesh! Now if somebody would just stick around long enough to write a comic-mag or two! • Here's a final teaser: In the next month or three, we've got two zingy new features to unleash upon you in already-established titles. We don't want to over-excite anybody, so we'll just whisper that their names are THONGOR OF LOST LEMURIA and WAR OF THE WORLDS! There! Does that start anybody's adrenalin pumping away? Yeah . . . we kinda thought so.

See ya.

Never finished high school?

Now you can get a diploma without going back

You already know why it's important to have a high school education. You've probably learned the hard way that it can be pretty difficult to get the kind of job you want without one. No matter how hard you're willing to work.

What can you do about it?

Maybe you've thought of trying again to get a diploma. But you've suffered enough classroom "battle fatigue" to last you a lifetime. So you'd hate to travel that route again even if you could.

But what if we told you that there was now a much better way to get a high school education? An adult way, which gives you regular high school subjects and your choice of practical vocational subjects which help you get started in one of a number of profitable fields.

That's the unique Wayne School way. You do your reading and assignments in your spare time, in the relaxed atmosphere of your own home, and "turn in" your completed assignments by mail. You don't have to give up your present job. You don't have to study or travel to class at inconvenient times.

And you needn't be afraid of dropping out all over again, if you had trouble with school before. Wayne's specially prepared lessons make even difficult subjects much easier to take. And Wayne grades your assignments in private, by mail. You're free from competitive classroom pressures. You stay relaxed, and your progress is much smoother.

If you're 17 or over and not now in school, why not send for more information? Mail coupon for our free booklet, *"How to finish High School at home."* You're in for a pleasant surprise.

NOW IF YOU'LL SIMMER DOWN, AND LOOK OVER HERE...
...YOU'LL SEE WHY I STOPPED YOU FROM TAKING A DRINK!
GASP! THE WATER IS POISONED!
BUT NO SOONER HAS ONE DANGER BEEN AVERTED, WHEN...
THE APACHES! THEY MUST'VE HEARD MY SHOT!
IT'S TOO LATE TO RUN...
AND THERE'S NO PLACE TO TAKE COVER!
WE'RE DONE FOR!

BUT AS THE APACHES APPROACH THEIR OUTNUMBERED FOE...
DON'T SHOOT! WE'RE TURNING THE WOMAN OVER TO YOU!
YES..TAKE HER, AND LEAVE US! PLEASE!
NO! KEEP AWAY!
SHUT UP, WOMAN! YOU'VE CAUSED US ENUFF TROUBLE!
STOP! LET HER GO!
IF GREY EAGLE WANTS THE WOMAN, LET HIM WIN HER IN BATTLE...
YOU HAVE COURAGE, WHITE-EYES!
...AGAINST ME!
...BUT NO MORE THAN I!
POW!
YOU FIGHT WELL!
BUT NOW THE BATTLE ENDS!

I'M NOT FINISHED YET, GREY EAGLE!
NOT... YET...
DROP THE KNIFE! DROP IT!
THERE! NOW I'VE GOT THE KNIFE!
THEN USE IT! KILL ME! I WOULD RATHER DIE, THAN LIVE WITHOUT THE WOMAN I LOVE AND THE CHILD THAT IS MINE!
STOP! STOP THE FIGHT! GET TO YOUR FEET!
GREY EAGLE... NEVER BEFORE HAVE YOU SPOKEN TO ME OF LOVE! NEVER!
SUCH WORDS DO NOT COME EASY TO A SAVAGE!
A MAN WHO LOVES, IS NO SAVAGE!
ARE YOU SURE?
YES... I'M SURE!
AND A WOMAN WHO HAS LOVE NEEDS NOTHING MORE!
I WILL RETURN WITH YOU, AND REMAIN BY YOUR SIDE!
THEN THE BATTLE IS ENDED!
WE WILL DEPART!
BUT NOT BEFORE WE GIVE THE WHITE-EYES WATER AND HORSES FOR THEIR SAFE JOURNEY!
I DON'T GET IT... HER CHOOSIN' TO GO BACK AND LIVE AMONG THE SAVAGES!
TO HER, THEY'RE NOT THE SAVAGES!
THE SAVAGES ARE HER PEOPLE, WHO WANTED TO ABANDON A WOMAN AND BABY TO SAVE THEMSELVES!
YEH, I RECKON YORE RIGHT! THIS IS A DAY WE'LL NEVER BE PROUD OF!
ALL EXCEPT FOR ONE AMONGST US... A MAN WHO KNOWS RIGHT FROM WRONG... AND NEVER FORGOT WHICH TO CHOOSE!
THE END

THIS IS THE STORY OF THAT LAND, AND OF THAT DAY!

RAWHIDE

c/o MARVEL COMICS GROUP, 575 MADISON AVE. N.Y.C. 10022

Dear Stan and Larry,

I would like to know what types of guns were used by the Rawhide Kid and Kid Colt. Also, I would like you to write to me personally.

Jeffrey Jensen, R.D. #1, Box 531
Northville, N.Y. 12134

Y'know, Jeff, we're very surprised no one's ever asked about this before. Both Rawhide and Kid Colt used the Colt .45 pistol — not exactly the most *original* answer we've ever handed out, but at least it adds a bit to the lore and legend of our two happy horsemen, right?

And, Jeff, we wish we could respond personally to every fan letter — but publishing forty-two titles every month makes that virtually impossible. Still, every letter does get read, so please, folks: don't hesitate to send us your comments. Anything you have to say about any of our mags, whether pro or con, *is* appreciated! 'Nuff said, pardner?

Dear Tellers of Western's Legends:

Alright. You asked for it. On the letters page of Rawhide #104, you asked for thoughts on your western comics.

Well I agree with Robert Gillis about *most* of your mags and reprints (Ugh! Too many). I don't agree 100% with our friend but he relates much of what many of your fans think of Marvel Western mags.

RED WOLF, GUNHAWKS, the new OUTLAW KID are your best. No changes needed.

RAWHIDE KID: Stay with new stories, art and plot. The kid's a favorite.

KID COLT & TWO GUN KID: Too many reprints. All new material would bring these two old mags back to life.

WESTERN KID: Not bad for reprints. This one's unique — Ted Dawson has no identity problems. His pals, Whirlwind and Lightning, add interest to the story. New material would improve the quality, considerably.

RINGO KID: All right as far as reprints, but I'm waiting for your all-new 20 page stories.

MIGHTY MARVEL WESTERN & WESTERN GUNFIGHTERS: Good. These two reprint mags should be kept as they are with a variety of stars.

WYATT EARP: How can you say he's new? What about his first 29 issues? Issue #30 was nothing but reprints. W.E. can be a good, new mag if new stories, art, and plot are added.

I've said my piece now. It's your turn.

Make Mine Marvel!

Larry Morgan, ROF, QNS, KOF & FFF
Box 119, Dix, Ill. 62830

We're striving, Larry, to publish as much new material as we possibly can. And yet, most of your fellow Marvelites do enjoy seeing the older tales reprinted while we concentrate on developing new characters and new mags. GUNHAWKS and RED WOLF, for instance, with their departure from the established horse opera format, have caused a minor sensation in Marveldom. And so, we think, will the new RINGO KID tales when they appear. So, just keep a ridin' with us, pal. We've got a ten-gallon hatful of surprises yet to come!

Dear, Stan, Roy, et al.:

Your western mags need a lot more attention and work before they will be able to stand on their own as Marvel masterpieces. One of the major problems is the cover artwork, especially on the reprint books. Herb Trimpe's covers almost inevitably look extremely scratchy and rushed. Kane-Severin covers are truly beautiful, and John Severin on his own comes in second. Another major problem is the insides of the books. Reprints only attract attention for so long, especially when some of the artistic style is lost in reproduction (for example, Doug Wildey on OUTLAW KID). Please try to put as much original material as possible into the mags. Please get a better inker for Larry Leiber on RAWHIDE KID. Vince Colletta (#80), Syd Shores (#93), but NOT George Roussos — he makes Larry's art scratchy, poorly shaded and gives little or no detail. Colletta gives beautiful shading and a sense of fine detail. Shores also does a great job at this — note the creases in the clothes in #93. This added detail may help to give the stories the touch of legend which graces great stories of the past. Please try to tie all of your western tales into one vast picture of the west as it once was — for example, connect your characters with historical events and consider geography-location, local events, local traditions, etc. Imagination has its place, yes, but you also need verisimilitude, or a sense of reality. It will take extra effort and time, but the Marvel western can be the best western of all. And isn't that what we all want?

Sincerely,

Pierre Champagne

It shore 'nuff is, Pierre. But, as we said to Larry Morgan elsewhere on this page, we think the way to make that happen is by establishing new magazines and new characters while reprinting the best of the old. If you hang around the ol' Marvel corral and see what we have in mind for upcoming months, we think you'll agree.

Also, we have to take issue with your opinion of George's inking on RAWHIDE KID. George's clean, crisp lines give Larry's pencils a clarity that most readers seem to favor. Meanwhile, though, you'll find Vince Colletta's talented pen and brush gracing several of our superhero and war mags, while Syd Shores is pushing the pencil for RED WOLF and GUNHAWKS (and, incidentally, a soon-to-appear fill-in ish of DAREDEVIL). Somehow or another, we're gonna please *everybody's* artistic tastes!

KNOW YE THESE, THE HALLOWED RANKS OF MARVELDOM:

R.F.O. (Real Frantic One)—A buyer of at least 3 Marvel mags a month.

T.T.B. (Titanic True Believer) — A divinely-inspired 'No-Prize' winner.

Q.N.S. (Quite 'Nuff Sayer) — A fortunate frantic one who's had a letter printed.

K.O.F. (Keeper Of the Flame) — One who recruits a newcomer to Marvel's rollickin' ranks.

P.M.M. (Permanent Marvelite Maximus) —Anyone possessing all four of the other titles.

F.F.F. (Fearless Front-Facer) — An honorary title bestowed for devotion to Marvel above and beyond the call of duty.
